

# ISE Study Abroad Information Session

Want information on Study Abroad Opportunities for ISE majors?  
Want to meet ISE students who have studied abroad in the past?

Then the ISE Study Abroad information session is for you!

**Tuesday, September 6<sup>th</sup>, 5:30 p.m. in 110 Randolph Hall**

An overview of the study abroad opportunities available through the Global Education Office and short presentations on specific programs that ISE students have participated in to be followed by a Q&A session with students, Global Education staff, and Paula Van Curen, the ISE Study Abroad Advisor.

You can listen to ISE students talk about their experience, ask questions, pick up printed materials—and start planning your Study Abroad experience now!

Paula Van Curen

ISE Academic & Program Advisor

Department of Industrial & Systems Engineering
