

Panel Discussion on Academic Job Application and Interview Process

WHAT?

This panel discusses the academic job search, application materials, interview, and dos and don'ts associated with the whole process. The session brings together the perspective and experience of faculty members who have successfully went through the academic job search process in recent years and the perspective of faculty members who are involved in reviewing job applications and making the hiring decisions. Time will also be provided for open questions and answers.

PANELISTS

Dr. Eileen M. Van Aken
Dr. Brian M. Kleiner
Dr. Blake N. Johnson
Dr. Divya Srinivasan
Dr. Manish Bansal

Grado Department of
Industrial & Systems
Engineering
