You are Invited to Participate in a Study about Wearable Exoskeletons

Requirements:

- Male or Female, age = 18-55 years
- Have no current or recent history of musculoskeletal disorders

Experiment Details:

- You will be asked to perform a simulated drilling task without and with three exoskeletons.
- Two experimental sessions (each ~2.5 hour) are required to complete the study.
- Compensation: $10/hour

Research protocols have been approved by the VT IRB (#16-1138)
