

Attention Richmond Area Industrial & Systems Engineering Graduates!

The ISE Advisory Board is organizing a networking event for ISE alumni in the Richmond area. On January 28th, 2015, please join us at Postbellum to reconnect with ISE alumni and for updates about the Industrial & Systems Engineering program. A few VT ISE Advisory Board members and faculty representatives are hoping to attend as well! This will be a great opportunity to meet other local alumni and build a stronger alumni network in the Richmond area!

Please join us at Postbellum (1323 West Main Street, Richmond, VA 23221) on Wednesday, January 28th starting at 5:30 pm.

To be updated about future events, please use the link below to RSVP.
