

SUBJECT: DC Metro VT ISE Networking Event Sponsored by Herren Associates: January 29th

Industrial & Systems Engineering Alumni

The ISE Advisory Board and some recent graduates are organizing this quarter's networking event for VT ISE alumni in the DC Metro area. The event will be sponsored by Herren Associates and will feature guest speaker, Nene Spivy, the Executive Director of the Children's Science Center and VT ISE Alumnus. Dr. Don Taylor and Dr. Eileen Van Aken are planning to be in attendance to provide an update on the department. Light Food and drinks will be provided by Herren Associates.

Please join us for this great opportunity to build connections with fellow ISE alumni in the area.
