## The ISE Student's Guide to Researching Studying Abroad Opportunities

Visit the Global Education Website at <a href="www.globaleducation.vt.edu">www.globaleducation.vt.edu</a>. A quick overview of the different programs and a "Students" section will help you explore your options and get a better feel for how each type of program can help you meet your specific study abroad goals.

Visit the Global Education Office, located at the corner of Price's Fork and Tom's Creek roads. Stop by during regular office hours (8 a.m. to 5 p.m.) or make an appointment by calling 540-231-5888, emailing <a href="mailto:vtabroad@vt.edu">vtabroad@vt.edu</a> or signing up on their website.

See the ISE Study Abroad Advisor, Paula Van Curen. She will work with you to determine how your program can fit into the ISE degree curriculum and sign your Academic Plan for Study Abroad. Her office is in 241 Durham and you may email her at <a href="mailto:pcuren@vt.edu">pcuren@vt.edu</a> to set up an appointment.

**Apply for your program online.** Deadlines vary according to program type but generally, you'll submit an application the semester before your program begins. Application Deadlines for specific programs can be found on the Global Education website.

**Finance your study abroad trip.** If you plan to use financial aid and scholarships to fund your study abroad experience, contact a counselor in the Financial Aid and Scholarships office. Ms. Van Curen can provide information on departmental scholarships for study abroad.

**Orientation.** Attend a mandatory pre-departure orientation conducted through the Global Education office. The Orientation is conducted at the end of each fall and spring semester and lasts approximately 2 hours.
